PORT SUSAN CAMPING CLUB

RULES AND REGULATIONS

DISCLAIMERS

Port Susan Camping Club has a **ZERO** tolerance policy for the possession, usage and/or distribution of illegal substances.

Port Susan Camping Club reserves the following rights; items not specifically covered by these Rules and Regulations must be presented to the Board of Directors or their designee for their approval.

The Membership and the Board of Directors understand that having a set of rules covering all issues, circumstances and/or conditions that may take place from time to time in the Park is **impossible**. It is therefore necessary for all members to understand that simply because there is not a specific rule contained herein that details and/or deals with a specific issue, circumstance and/or condition, **DOES NOT** mean it is therefore authorized or okay. When in doubt, authorization should be sought from Park management and/or the Board of Directors before proceeding.

The Board of Directors is granted the right to adopt, from time to time, such Rules and Regulations as may be deemed appropriate for the government and affairs of the corporation.

A Member in good standing is defined as: A person, or entity, who is not in default on payment of their dues, assessments and/or any other charges owed to the Club for a period of more than ninety (90) days; and whose membership has not been suspended or terminated by the Board of Directors.

Where the Rules and Regulations, By-laws and Compromise and Settlement Agreements are silent; then all Federal, State and Tribal Laws shall be enforced.

Management will attempt to keep the common areas and facilities of the Park in a neat and safe condition at all times. Members choosing to use these areas, however, do so at their own risk.

GENERAL RULES AND REGULATIONS

All of the Laws of the State of Washington, the ordinances of Snohomish County and the conditions imposed by the Compromise and Settlement Agreement under which Port Susan Camping Club is operated are adopted and incorporated into the Rules and Regulations. Additional Rules and Regulations may be posted from time to time throughout the Park and are enforceable as if set forth herein.
